**Chinese American Citizens Alliance  
Mourns Passing of Matt Fong, former California State Treasurer**

Chinese American Citizens Alliance Grand President Carolyn H. Chan issued the following statement upon learning of the passing of Matt Fong, former State Treasurer of California, after his courageous battle with skin cancer.

“Chinese American Citizens Alliance sends our deepest and sincerest regrets to the family of Matt Fong on his untimely passing. He will be remembered for his devotion to public service to the State of California and the Asian American community. He dedicated himself to public service early in his life, spoke at many of our Alliance functions and volunteered much insight as a member of our Los Angeles Lodge. On behalf of our members and families in California and across the nation, we offer our heartfelt thoughts and prayers to the Fong family.”
